Chapter 1 by Jakelin Quinonez

One morning I was getting ready for school. When I ate breakfast I felt like as if someone was watching me eat my cereal. When I was waiting for the bus there was another girl who came up to me that said, "Hello, my name is Hannah." I got really freaked out at that moment because she had a skull on her backpack, a sweatshirt that looked kind of bloody, and red water or something in her water bottle. When I saw the bus I picked up my backpack from the ground and Hannah just put her backpack down and was looking for something in her backpack I guess. But when the bus stopped she closed her backpack and had something in her hand. I didn't get to see though. She went to the back of the bus and looked as if she was waiting for people. I was very scared at that moment. Then someone else got on the bus and went to the back. When the person sat down, Hannah switched seats and I heard a very loud scream as if someone died. When my friend Abby got on the bus I told her about the very loud scream I heard...

When we got to school, I saw Hannah's sweatshirt even more bloody than i've seen her. When we got to class and sat down, Hannah was twitching her head, her hair was a little over her face, and part of her face got black. When the teacher (Mr. Michael) saw Hannah twitching, saw her

I didn't do anything. "I'm innocent!" I said. "I have nothing to do with this!" But then I thought about it. Then I remembered that i've always hanged out with Hannah. I once said that Hannah and I were like sisters. And we did do bad things like spraying paint on buildings, going to the top of the roof without asking a teacher during lunch, and looking in peoples lockers. Then I thought, "Wait..." Then I forgot. Hannah was just staring at me. Then Mrs. White said, "OK you two. You're getting detention and I'm calling your parents!" Then I started to cry. I don't know why though. When Mrs. White called my parents, I was crying even more.

When my parents arrived I got really scared that I would get in trouble. But then I thought, "WAIT..... My mom always forgives me..." But just then when I saw mom's face, she looked serious. Like if she was really really mad. I got really scared. Then Hannah pretended to cry in her mother's face ON PURPOSE! Then Hannah's mother said, "Aww.... sweetie I know you're not involved in this, I know you're innocent. While on the other hand my mom looked very mad and serious, and she wouldn't talk to me.

When detention was over, I got grounded. My punishment was NO ELECTRONICS FOR A MONTH.

When I was at school the next day, I went to the "Old Girls Bathroom" to wash my face. When I looked in the mirror I felt like someone was watching me. I looked in the mirror and I saw blue eyes...

Then I thought, "Wait Hannah has blue eyes...." Then when I looked in the mirror again, I saw brown eyes. It was just me. Just then I turned around for a moment. Then I looked in the mirror again. I saw Hannah...
